Let me tell you about It....

It is the story of one year at
Whittingham High School and It's senior
class. It may come to you as a shock, indeed
It shocked our own imaginations. After we, the
yearbook staff, exhausted all predictable
themes ranging from trite tradition to funky
futures, we fell upon It. It had been there
all the time, waiting Its turn. From that
inspiring day It continued to grow until today
we are able to offer you It, the Whittingham
High School Yearbook for 1975. We hope you
enjoy It.
